## **NEW PRODUCT OFFERING**

### **Battery Backup for Wi-Fi Now Available!**

Power outages can disrupt our daily routines and cut off essential communication services. To help you stay connected and maintain peace of mind, we now offer a reliable battery backup solution for your internet.

Batteries are a monthly add-on to your bill. These units are able to be self-installed so you do not need to wait for an appointment. You can choose between the following options:

- 8 Hour Battery - \$7.95 a month
- 16 Hour Battery - \$10.95 a month
- 24 Hour Battery - \$14.95 a month
- 32 Hour Battery - \$19.95 a month

For additional information, visit our website at <https://oeconnect.coop/battery-backup-wi-fi> or call the office!

## SEASONAL CUSTOMERS

As many of our customers begin to return to our area for the warmer weather, please note that after your 4 months of seasonal has passed, your service is automatically restored and your billing will return to your normal monthly package. Due to our billing cycles being for the month ahead, please note that if you are scheduled to come back on April 1<sup>st</sup>, your bills will go back to normal billing during the March cycle. If you have any questions about that, please contact us at 607-293-6622.

## COMMUNITY ENGAGEMENT

This winter, our Director of IT spent time with the Fiberoptic class at Job Corps, giving them a tour of one of our fiber shelters. This allowed him to show them different components involved and how they all work together to create our network!
